AN easy chair—a good light.
What is more comfortable—

Use light freely—a living room without
a floor or table lamp cannot possess the
charm of one having either at both.
Portable and table lamps, equipped with
the correct Edison Mazda Lamp, will
increase the cheerfulness of your living
room more than once.

To obtain the best results, choose lamps
with wide shades which throw the light
upward and downwards. See that they
are equipped with 35 or 75 watt all-

ATWATER KENT RADIO

This is
a new
influence
in Radio

In many ways the Atwater Kent Model as
Compass is a new influence in the progress of
radio.

It is a combination. It takes in fact, possibly
on a small scale, a look back to any other
type of radio, for it is a new, simple, elegant
instrument, and it is, in fact, a new, simple,
elegant instrument, and it is, in fact, a new,
simple, elegant instrument.

So you Radio needn't doubt any more. You

can fit it exactly into your present arrangement
of furniture and decoration, without having any-
thing new.

Already the Model as Compass has won its
place in the lives of many famous people. It
is the radio of today—and of tomorrow.

Last-minute Suggestions for Christmas Gift Buyer in Search of the Artistic

By ANIELLA LEAVITT HILL

With the approach of the Christmas season, the gift buyer is faced with the problem of finding a gift that is both artistic and useful.

A group of lovely vases in various sizes and gift buyers from Ellis Bros. Toronto. A—A vase 9 in. high in butterfly design. B—A vase in the same style, but less artistic design. C—A vase 10 in. high in butterfly design. D—A vase 10 in. high in butterfly design.

For the gift buyer, the most useful and artistic gift is one that is both useful and artistic. The gift buyer should look for a gift that is both useful and artistic.

A vase of this style is much appreciated in our homes after the gift buyer is in the mood of buying a gift.
